THE VINTAGE

After a cold and damp winter, a very wet spring and significant rainfall in June, the regions' groundwater reserves were restored. Unfortunately, this also allowed for the proliferation of some grapevine diseases in certain areas. The very hot summer that followed was punctuated by short rains. This and the favorable temperatures at harvest time allowed us to obtain the best of this vintage in terms of quality. Under this atypical climatic context, it was the Syrah grape variety which flourished the most in our vineyards that year.

LOCATION

With origins dating back to the 15th century, the historic Leingoust Abbey continued to house monks up until the end of the 19th century. This unspoilt environment is bordered by the Aude River and the Canal du Midi. The range of terroirs allow the creation of unique generous, and complex wines.

WINEMAKING

Harvested at full maturity, the different grape varieties are vinified separately with a limited use of additives. Cold maceration (8°) before fermenting for the Syrah and Grenache followed by fermenting and extraction at around 27° to optimise the extraction of the tannins.

VARIETALS

Syrah 40%, Grenache noir 30%, Mourvèdre 30%

14 % VOL.

Contains sulphites.

SERVING

Service temperature between 16 and 18°C.

AGEING POTENTIAL

TASTING

A deep red robe with garnet reflections, this wine offers up aromas of ripe fruits with notes of vanilla. From the attack on the palate, we observe beautiful and dense tannins. It is fine and full due to the black fruits. The finish is long and ends with a nice balance between tannins, fruit and freshness.

REVIEWS AND AWARDS

90/100

"Dark ruby with a purple hue. The nose offers sweet fruit, jammed plum, crushed berries and mild oak-derived spiciness. Rather ample palate with a rounded texture, mild tannin, sweet and spicy fruit notes with an opulent finish."
